Respondent) DOCKET

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of a request for a formal hearing by Carriage Hill Lakes Partnership (the Complainant or CHLP) concerning the procurement of taps for sewerage service in Lakewood Utilities' service area. The informal conference between the Complainant, the Respondent, and the Commission Staff did not resolve the matter.

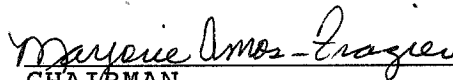

By Order No. 90-413, issued by the Commission on April 4, 1990, the Commission granted CHLP's request and ordered that a hearing be set in this matter before the Commission on Tuesday, June 26, 1990, at 11:00 a.m. and was later rescheduled for July 11, 1990 at 10:30 a.m. in the Commission's Hearing Room. Subsequently, on June 21, 1990, the Commission received a stipulation from the parties stating that the issues in the above proceeding had been amicably settled and requested that the matter be ended with prejudice.
